Congratulations Arrowhead Beach! The Arrowhead Property Owners Association successfully completed another election season! Colleen Nicholas, Dana Nicholas and Chuck DeMoulin were elected to the Board of Directors. The 2018-2019 budget passed and the Restrictive Covenant revision was approved. Thank you to all that submitted ballots. At the May 10, 2018 work session, the Board of Directors positions were selected as follows: Colleen Nicholas, President; Van Dee Hetherington, Vice President; Brenda DeMoulin, Treasurer; Dana Nicholas, Secretary; Chuck DeMoulin, Building Control; Lisa Bullock, Legal; Kenny Nowlin, Ecology and Steve Mullen, Building Operations. I look forward to working alongside them on behalf of Arrowhead Beach.

We thank the Nominating Committee for their hard work and diligence to ensure the ballots were valid and accurately counted. The committee made a few suggestions and the board will take them under advisement. Members of the Nominating Committee were: Becky Yaeckel, Chairwoman; Wanda Smith, Marjory James, Pattie Leich, Barbara Sutton, Kittie Jarrell, Brenda Robbins and Barbara Burgess. This is what makes Your community work!

Passing the budget allows the Board of Directors to approve a number of projects, such as building a ramp to the office, continue improvements on the drains around the clubhouse, update and maintain the park, continue collection of past due assessments and hold community events to name just a few.

The Restrictive Covenant, effective April 1, 2018, will be available at Arrowheadbeach.com by June 15, 2018. You can request a paper copy by calling 252-221-8331 or email the office at arrowheadbeach@mediacombb.net.

We’re looking forward to the Memorial Day Opening the Park celebration on May 26, 2017. Come join us for hot dogs, drinks and snacks. All property owners are welcome! Bring your park pass. Rick, the APOA Maintenance Supervisor, once again has done an outstanding job on the park and our surrounding neighborhoods. We thank him of his attention to details. It makes our community an even more special place to live.

With the summer just ahead, it means kids are out of school after June 8th. There will be cookouts, baseball, swimming and picnics. Lots of children will be riding bikes and residents walking throughout the beautiful neighborhoods of Arrowhead Beach. Please be mindful of the 25 mph speed limit on all roadways in Arrowhead.

On behalf of the Board of Directors, we wish everyone a happy, healthy and safe summer.

Colleen Nicholas
Board President
Another year has gone by and we’re headed towards summer. Fun, sun and gna! Wine with a little soap will attract those pesky pests and keep them under control in your kitchen. Limiting weed killer will help bees to pollinate your flowers and veggies. I ran into Connie and David Miles in the grocery store and they both look wonderful! Glad to see them out and about. I also spotted Jane Morris in the grocery store but she was too spry for me to catch up with her.

Some folks in Arrowhead Beach have recently experienced health challenges. We wish Shirley Horn a speedy recovery from her shoulder injury she incurred from a fall. Margaret Tobbert is still recuperating from an illness this winter and is back in the hospital. Barbara Burgess fell and is recovering at a rehab in Windsor. She’ll be home soon. Kathy Luke was in the hospital, but is now home and waiting to be cleared to get back on the school bus. Becky Yaeckel is home recovering from surgery and is eager to get back to her daily walks. So is her dog Reese. Pat Bible was in the hospital with pneumonia in April. We are glad to know she is back at home with Fred.

The EXPO was a success again this year. Thanks to all the people that donated baked goods, fruit and refreshments to the event. The guest vendors shared information with the community. Everyone had a good time networking. Thank you to all the participants and especially to Van-Dee Hetherington and Brenda DeMoulin for organizing the event. Richard and Lisa Bullock recently celebrated their anniversary in Hawaii. They were there before the volcano eruption began on the Big Island.

We have new neighbors buying homes and moving into Arrowhead Beach just about every month. That’s good news for our community and we welcome them. Marjory James has generously volunteered to head up the Welcome Committee along with Patti Leich. Thank you Ladies! Chuck and Brenda DeMoulin celebrated their 25th anniversary “in the middle of the ocean” cruise. Their pictures of the cruise were delightful. They had a great time and we were jealous. Marjory and Marion James celebrated their 61st anniversary this month. Congratulations!

The Memorial Day Opening the Park celebration kicks off summer at the beach. This means we need volunteers to sit at the park gatehouse this summer. Please contact Brenda to get your name on the volunteer list and schedule your days and times. An hour or two every week is much appreciated. Arrowhead Beach has great teens that are good students and we welcome them to become involved in their community. If they are interested in volunteering in the park, beach or gatehouse this summer, please contact Brenda or Colleen at the APOA office! The Board of Director’s purchased 80 cushioned chairs for the clubhouse. This is made possible by property owners’ commitment to paying their AMAs. When property owners support their Association, good things happen. Thank you. Recently, a teenager was hit by a car when cutting through a wooded property. Please make sure your property is secured; especially if you do not live here year-round. In the past few months, we lost some members of our community and some have lost family members. Our deepest condolences to their families during their time of sorrow.

James and Gloria Wilson and their son Eddie are mourning the passing of Eddie’s wife, Dolly Wilson. Recently, Carol Creamer Beedle lost her brother, Ronald Creamer. Our thoughts are with Carol and David. Sandra Whitson, resident on Powhatan Trail passed away this month. Our sincere condolences to her family and friends. Ginelle Victoria Byrum Murphy, 72, of 101 Winnebago Trail, died Tuesday, May 15, 2018 in her home. She will be missed by her family and friends. Jim and Bunny Brock’s daughter-in-law, April, passed suddenly. Jim recently had knee surgery and is home recovering. We wish their family strength during this difficult time. Connie Tiptop, a resident of Arrowhead Beach, Gondolces to her family and friends. Neva Johnson, a longtime resident recently passed. She will be missed by her friends.

If you know of someone facing health challenges and want to share kind words to cheer them up, send an email to arrowheadbeach@mediacombb.net and we’ll put it in the newsletter.

The Arrowhead Beach Park officially opens on Saturday, May 26 with a party beginning at 11 am. Neighborhood Watch would like to remind everyone of the regulations regarding the use of the park. First and foremost, you MUST have your Park Pass with you at all times. Most members are allowed to have several guests but they have to be with you to enter. No pets are allowed. Also no bicycles, scooters or vehicles of any kind are allowed in the park. This is for everyone’s safety. If you have any questions regarding park rules and regulations, please call the office at 221-8331. We want to make sure everyone has a safe and fun-filled Summer at the park and beach. If you are interested in volunteering on the Neighborhood Watch Committee, please email Dana Nicholas at arrowheadbeach@mediacombb.net with “Neighborhood Watch” in the subject line. Sheriff’s Office: 252-482-8484. Arrowhead Beach Office: 252-221-8331.

COMMUNITY HIGHLIGHTS
On Saturday, April 14, from 9-1, the Arrowhead Property Owners Association hosted the Second Annual Community Expo at the clubhouse. Community agencies gathered to share valuable information with our visitors. Representatives from Vidant Hospital provided health screenings for diabetes, cholesterol, blood pressure, etc. People brought food donations for the Edenton-Chowan Food Pantry. The Rocky Hock Lions Club was on hand as well. Habitat for Humanity, Cindy Small Realty and West Town Insurance and Albemarle Bank & Trust were represented as was the Chowan County Fair and the Edenton Steamers. Center Hill Crossroads Fire Dept. brought a fire truck, Deputy McArthur from the Sheriff’s Dept. and N.C. Forest Ranger Long were all in attendance. Tri-County Animal Shelter brought some dogs and cats that need a good home. Arrowhead residents donated refreshments such as fruit, baked goods and drinks. Gay Beaman was on hand doing face painting for kids young and old and balloons were given to our youngest guests. The APOA gave out swag bags with AB pens/pads & drink cozies. Thanks to Rick Elkins, Maintenance Supervisor; the facility and parking areas were in pristine condition. We especially want to express our appreciation and thank the following agencies for donating their time to this important community service:

- Chowan County Sheriff’s Dept.
- Center Hill Crossroads Fire Dept.
- NC Forest Service
- Cindy Small Realty
- Edenton-Chowan Food Pantry
- Vidant Chowan Hospital
- Shepard–Pruden Library
- Rocky Hock Lions Club
- Habitat for Humanity
- Carolina Dog Grooming

Does a Bear Poop in the Park?

On May 17, a bear was seen in the Arrowhead Beach Park. The game warden was called and cautioned everyone to keep pets and garbage indoors. It was assumed he gained access by coming across the river. He wandered around in the park a bit and eventually went back across the river by the end of the day. Just wanted to come over and enjoy our lovely park and see if anyone left any goodies for him. Thanks to Paula Holler and Amy Cisneros for these pictures.

But it’s not the first time we have encountered wildlife in our park. In March, a young deer was found in the park. North Carolina Wildlife Division was called in both cases. There have also been reports of a fox on Arapahoe Trail and there are plenty of turtles stopping traffic as they cross the roads. It is a joy to see wildlife, but we need to be mindful of safety for the animals and people. Keeping a distance and not feeding them is the best way for these beautiful creatures to live in harmony.

In 1983, the North Carolina General Assembly declared the Arrowhead Beach subdivision a wildlife and bird sanctuary. No hunting is allowed within the subdivision. If you encounter a bear or deer or other wild animal that would not typically be in our park or surrounding area, you can contact the US Fish & Wildlife Service at 1104 W Queen St, (252) 482-4118.

COOKING CORNER

By Wanda Smith

Hash Brown Casserole

Ingredients

- 1 can Cream of Chicken Soup
- 1 block grated Colby Jack Cheese
- 1/2 cup chopped onion
- 1/2 cup melted margarine
- 1/4 teaspoon pepper
- 10 1/2 cups hash browns

Directions

In a mixing bowl, combine all ingredients except hash browns. Spray a 9x13 cooking dish with cooking spray and add hash browns. Pour cheese mixture over top. Bake at 375° for 30 minutes. Makes 6 servings.

Does You Know ... It’s Against the Law?

Most people do not know that it’s against the law to blow grass or debris into the road. It could be dangerous to motorcycle riders, pedestrians or even cars if it gets wet and slippery.

According to NC General Assembly Chapter 136, Transportation Article 7, Miscellaneous:

- Provision 136-90 Obstructing Highways or Roads - If any person shall willfully obstruct any highway or road shall be guilty of a Class 1 misdemeanor.
- 136-91 Placing Injurious Obstructions in Road - No person shall throw any substance or any injurious obstruction in or upon any highway or public vehicular area. Any persons violating the provisions of this section shall be guilty of a Class 3 misdemeanor.

This includes grass and debris of any type! So please, be courteous to your neighbors. It’s the law!

ONLINE SCAMS

Be wary the next time you answer your phone, as phone scams are on the rise. Scammers are finding new and creative ways to defraud consumers as well as financial institutions, with robo-dialing helping them increase their efficiency. The phone protection company Pin Drop Security found:

- 30% increase in phone scams since 2013
- 60% of phone scams that involve a caller pretending to be from a government agency or financial institution
- 86.2 million – the number of US phone calls that are scams every month

This year’s top fraud is Imposter Scams, with nearly 350,000 reports. Nearly 1 in 5 people who reported an imposter scam lost money – a whopping $328 million lost to someone pretending to be a loved one in trouble, a government official, tech support, or someone else who’s not who they say they are, but who wants your money.

More young people reported losing money to fraud than older people – but when people aged 70 and older had a loss, it was a much higher median loss than other groups. And, based on reports per 100,000 population, the top states for fraud reports were Florida, Georgia and Nevada. For identity theft, it’s Michigan, Florida and California.

Here is a list of some scams used:

- The Spoofing scam, where scammers can use numbers from the local police department, your bank or any other reputable business to trick you into thinking you’re talking to a legitimate representative.
- The Credit Card Rate Reduction scam, where callers promise a reduction in your credit card interest rates, as long as you pay an upfront fee. You may also be asked to provide personal information, which can then be used for identity theft.
- The IRS scam, demanding a prepaid card for taxes you owe.
- Debt collectors linked to payday loan companies, demanding payment for the balance you owe
- Microsoft tech support, claiming you have a virus on your computer that they need remote access to fix
- Auto insurance companies, saying you qualify for a lower rate and can get it by disclosing a batch of personal information.

So protect yourself with these tips:

- Be alert to the fact that scams exist
- Know who you’re dealing with
- DO NOT open suspicious texts, pop-up windows, or click links or attachments in emails – delete them.
- DO NOT respond to phone calls about your computer asking for remote access – hang up.
- Beware of any requests for your details or money or unusual payment requests.
- And keep your personal details secure.
